REMARKS

Present Status of the Application

The Office Action objected to the specification, the abstract, and the title. Applicants have corrected the errors as described in the Office Action in response to the aforementioned objections.

Response To Objections To Specification

Applicants have corrected the typographical errors stated by the Examiner in the Office Action. The amended paragraphs on pages 1-4 are shown above.

Response To Objection To Abstract

Applicants have amended the Abstract through the foregoing Amendment to consist of 143 words, an amount well within the maximum limit of 250. In addition, the amended abstract also is clearly indicative of the invention to which the claims are directed.
